- Caroline is great!
- Caroline is a wonderful TA! Her recitations are engaging and her explanations really helped expand on the material introduced in lectures.
- One thing to improve would be to spend more time discussing the lecture material rather than the reading one
- Caroline did a great job explaining any ambiguous topics in lecture. Very knowledgeable! Would also not change anything about the section.
- Would have liked more help with projects
- Clear explanation of QDAFIs
  Maybe talk a little bit slower?
